High Speed Silent Core Blade

Our high speed, silent core blade is covered with nine layers of arrayed diamonds to provide for a superior blade.

- **20% to 40%** longer life than other blades.
- Segments are pressure-tested to ensure solid welding.
- Consistent cuts on granite, marble, and other quartz materials.

FEATURES

Dry Pad**Low Horse Power****High Speed**

Applications

Granite, Marble, Quartz

Feed Rate

10ft - 17ft per minute
